Hi Doug – here is the Round 1 Tribal calls list.

Of note, this version was our 'final' version, but didn't include the U&O FIP discussion points. However, you have the briefing notes and notes from the consultation with Vice-Chairman Tony Small, so please feel free to discuss as necessary.

As a point of update, we're just finishing some final comments on our follow-up letter to the Ute Business Committee, along with a draft communication plan, so we can identify that this will be something they can expect from EPA in the near future.

Thanks and please let me know if there's anything I can help with. – Kim V.
